

Informativo referente ao índice de reajuste anual para empresas com menos de 30 beneficiários conforme RN nº 565/22.

Informamos que em cumprimento ao disposto na Resolução Normativa nº 565/22 editada pela Agência Nacional de Saúde Suplementar – ANS, todos os contratos coletivos com menos de 30 beneficiários da Unimed Norte Paulista serão reajustados em **9,09%**.

A data de aniversário e data de reajuste anual do contrato não sofrerão alterações.

A medida possibilitará diluir o risco dos contratos dos planos coletivos com menos de 30 beneficiários, oferecendo maior equilíbrio no cálculo do reajuste. Com a nova determinação, a ANS busca tornar mais estável o reajuste desses contratos.

Comunicamos que estes contratos perderão a condição de agregado ao agrupamento caso no futuro venham atingir 30 participantes ou mais, sendo que, neste caso, o cálculo da sinistralidade e do reajuste técnico será feito de forma individualizada, sem considerar qualquer agrupamento conforme disposto na Resolução Normativa da Agência Nacional de Saúde Suplementar - ANS nº 565/22 e posteriores alterações.

Clique aqui para visualizar os contratos que se enquadram nesse grupo e sofrerão esse reajuste no mês pré-estabelecido no período de Maio de 2026 a Abril de 2027:
